- ◆ Golf – Jolene needs people to solicit gifts for the tournament. A motion was made for a formula to figure out how much a person gets towards their acct from the prizes they bring in. So that we don't lose money on the tournament 25% of revenues will get divided to all people who bring in prizes. The golf committee will determine the prize value. MOTION APPROVED
- ◆ Bingo – Judy Jenke is relinquishing her position on the Bingo Board so she can focus on Grad night. Therefore she needs to be replaced. If not replaced aquatics booster loses money. Any body interested?
- ◆ Budget Cuts – District is not paying for J.V. coaches, which is \$1400 - \$1800. Coach Stoll has a meeting with 8 representative coaches from all the Saddleback High Schools tomorrow night.
..... **LETS PUT OUR FOOT DOWN AND FIGHT.....**
- ◆ Swimming – Need new starting blocks to be resurfaced approx. \$90/block Checking with Site counsel for money or we would have to put a work order in to the district.
- ◆ Hospitality – ViAnn not present to discuss swim banquet
- ◆ Misc. – Charger cards : if any one wants to sell any from ASB talk to Janet Nunn. Jolene Fuentes would like a yearlong calendar for aquatics schedule so planning vacations would be easier. Especially for new parents. Something to think about for next year.
- ◆ Coach's Update – Our flags are bad for swimming and would maybe like yellow and Blue flags. We approved spending upto \$200 on new flags
