Coaches Report:

Re: the parent meeting - information should be concise/informative.
Sign ups should be held outside or on the website.

Expenditures – new goals \$1300 – paid by SET. New nets/floats - \$615.
Shot clocks are in South Gate being fixed and need to be picked up for Wednesday's scrimmage. JP will get the clocks and we will be invoiced.

VP scrimmage – Sep 10th. Novice and Frosh/Soph at Villa Park and JV and Varsity at ET.

Coach Stoll would like a phone list as soon as possible.

New expenses – hats and balls each are approximately \$900. The Athletic Department will pay for most of the expense but boosters will have to make up the difference. Tournament fees are going up to \$300. 9 tournaments for boys and 9 for girls so about \$5000. We hired Coach Julson and that will be approximately \$1500.00. Pool shade was discussed and Coach Stoll is working on this. He would like the district to pay for it.

Coach Stoll would like boosters to send thank you cards for the use of the Trabuco Hills pool. Cards will be sent to Toby Thurlow, John Millers and Andy Garcia. Each card will include \$25 in scrip. ViAnn will take care of sending the cards.

Kathy Lindstrom has the names of the Long Beach lifeguards for thank you notes. Janet will send these out.

The Brian Ealy scholarship was discussed. Since we won't be hosting the league opener this year we need to raise money another night to go toward the scholarship. It was suggested that either the Foothill meet or one day of the Frosh/Soph tournament snack bar profits be used for the scholarship.

Our next meeting will be October 6th.
