

ETHS Aquatics Booster Membership 2004-2005

Boys & Girl's Water Polo or Swimming **\$175.00**

Boys & Girl's Second Aquatics Sport **\$125.00**

When you become a booster member, the funds received for membership are spent to support the **Aquatics program**. Upon joining, the ETHS Aquatics Boosters will maintain an account of credits earned by your family through participation in Booster fund raising activities. Credits must be first used to pay dues. Then, any excess credits can be applied to other costs incurred by the athlete's participation in ETHS Aquatics (suits & other equipment, travel, bus fees, etc).

Your family's first athlete pays the regular dues. Each additional athlete receives a reduction in dues of 50% per aquatics athlete/per aquatics sport. All booster members will receive (3) free admission for their athlete(s) to the Awards Banquet for each sport in which they participate (**\$45 value**).

Please check the appropriate space and complete the following form.
